

E-File Registration/Maintenance History: View a list of all admissions and e-file registration and maintenance requests.

- Go to PACER, www.pacer.gov
- In the upper right corner, click on **Manage My Account**
- Click on the **Maintenance** tab
- Click on: **E-File Registration/Maintenance History**

- All your requests will display.
 - Click on the arrows to sort the list.
 - Description:
 - Person is a request to update the user's name
 - Noticing is a change to email format(html/text) and/or noticing frequency(daily summary/each filing)
 - Address is a request to change address, phone or fax.

E-File Registration/Maintenance History

The table below provides a listing of your e-file registration and maintenance requests. A "Pending" status indicates the request is pending action by the court. A "Processed" status indicates the request has been processed by the court; it does not indicate that your filing status is "Active" at this court. [Review your filing status here.](#)
