REVISED §722 MOTION TO REDEEM COVER SHEET

No. 04-05

09/21/04

Please take notice that the Rochester Division of the Bankruptcy Court issued an Order on June 7, 2004 establishing two additional requirements for §722 motions covered under the default procedure.

The Order requires debtors' counsel to disclose any and all compensation, fees, commission, etc....received or anticipated to be received from any source, including the debtor. These additional monies can be disclosed in the form of an amended 2016(b) statement or letter and must be served on the United States Trustee, the debtor, and other parties in interest. The Order also requires debtors' counsel to file a 722 Lending Disclosure Statement and Waiver. Failure to comply to these new requirements shall be grounds for denial of the motion.

To facilitate this change and to alleviate the chance of practitioners requests being denied due to non-compliance, the §722 Redemption Cover Sheet has been revised. A copy of the revised §722 Cover Sheet is attached. The Cover Sheet can also be found on the Court's website at www.nywb.uscourts.gov.

This change is *effective immediately*.
