EFFECTIVE DECEMBER 1, 2015

---

Notice No. 15-01

Most Official Bankruptcy Forms will be replaced with substantially revised, reformatted, and renumbered versions effective December 1, 2015. These new forms are part of a forms modernization project that began in 2008 by the Advisory Committee on Bankruptcy Rules.

In addition to these changes, virtually all of the Director's Procedural forms are scheduled to be replaced by updated and renumbered versions.

This notice is for informational purposes only. You should refer to the Official Forms and official comments for complete information and guidance. Copies of the pending official bankruptcy forms and committee notes are available at: <http://www.uscourts.gov/rules-policies/pending-rules-amendments/pending-changes-bankruptcy-forms>.

**Please check with your bankruptcy software provider for updates related to the December 1 changes. Our office has been made aware that EZ-Filing Forms Software will no longer be updated or supported after November 30, 2015.**
